Main Menu

Include the Atlas and 3 levels buttons.

Select the level of difficulty by clicking the mouse or pressing keyboread number 1, 2, 3(easy, noraml, hard).

When players click Atlas

, it will show all towers and enemies.

Arrow Tower:
Can only attack one nearest enemy.
Can't attack wizards with shells.

Gun tower:
Can attack all enemies in range
at a lower speed.
Can attack wizards with shells

Ice Tower:
Can make all enemies in range
move lower.

Wizard:
when its health is below 1/4, it will get
a shell, then Arrow Tower won't attack it, but
the Gun Tower can attack it.

Orcs:
when its health is less than 1/2 and larger
than 1/4, it will run and move faster.

Summoner:
When it's dead, it will summon two
Orcs in the place where it's dead.

All towers can be upgraded and removed.

After killing enemies, they will become
the gold coin and players can get money.

BACK

Each level has its map:

Easy:

Normal:

Hard:

When game start, there will be 3 kinds of enemy to attack the base:

Wizard:

when its health is below 1/4, it will become invisible and get a shell, and Arrow Tower won't attack it, but the Gun Tower can attack it.
